

# ARCHITECTURAL PANELS

ALUMENT® panels can be used as a design element to create provocative spaces in virtually any interior architectural context.

ALUMENT® panels are the perfect solution for:

- Illuminated art panels (shown)
- Partitions
- Fascias
- Feature walls
- Drop ceiling diffusers
- Bar fronts

The possibilities are limitless. Panels can be round or bent to almost any angle and they are field-cuttable. What's more, they are durable, 10 times the strength of glass, 1/3 of the weight, and shatter-resistant.

Standard in 8 colors (below). Quick turnaround on custom color samples to match other elements of your designs.

Maximum size: 47" x 47" x 1/4".
